

My trip to the Maryland Zoo

My class is going to the Maryland Zoo! The Zoo has lots of animals. It can be fun seeing animals that I can't see at home!

I will come to the Zoo by bus or car. I will know that I am at the Zoo when I see this parking lot.

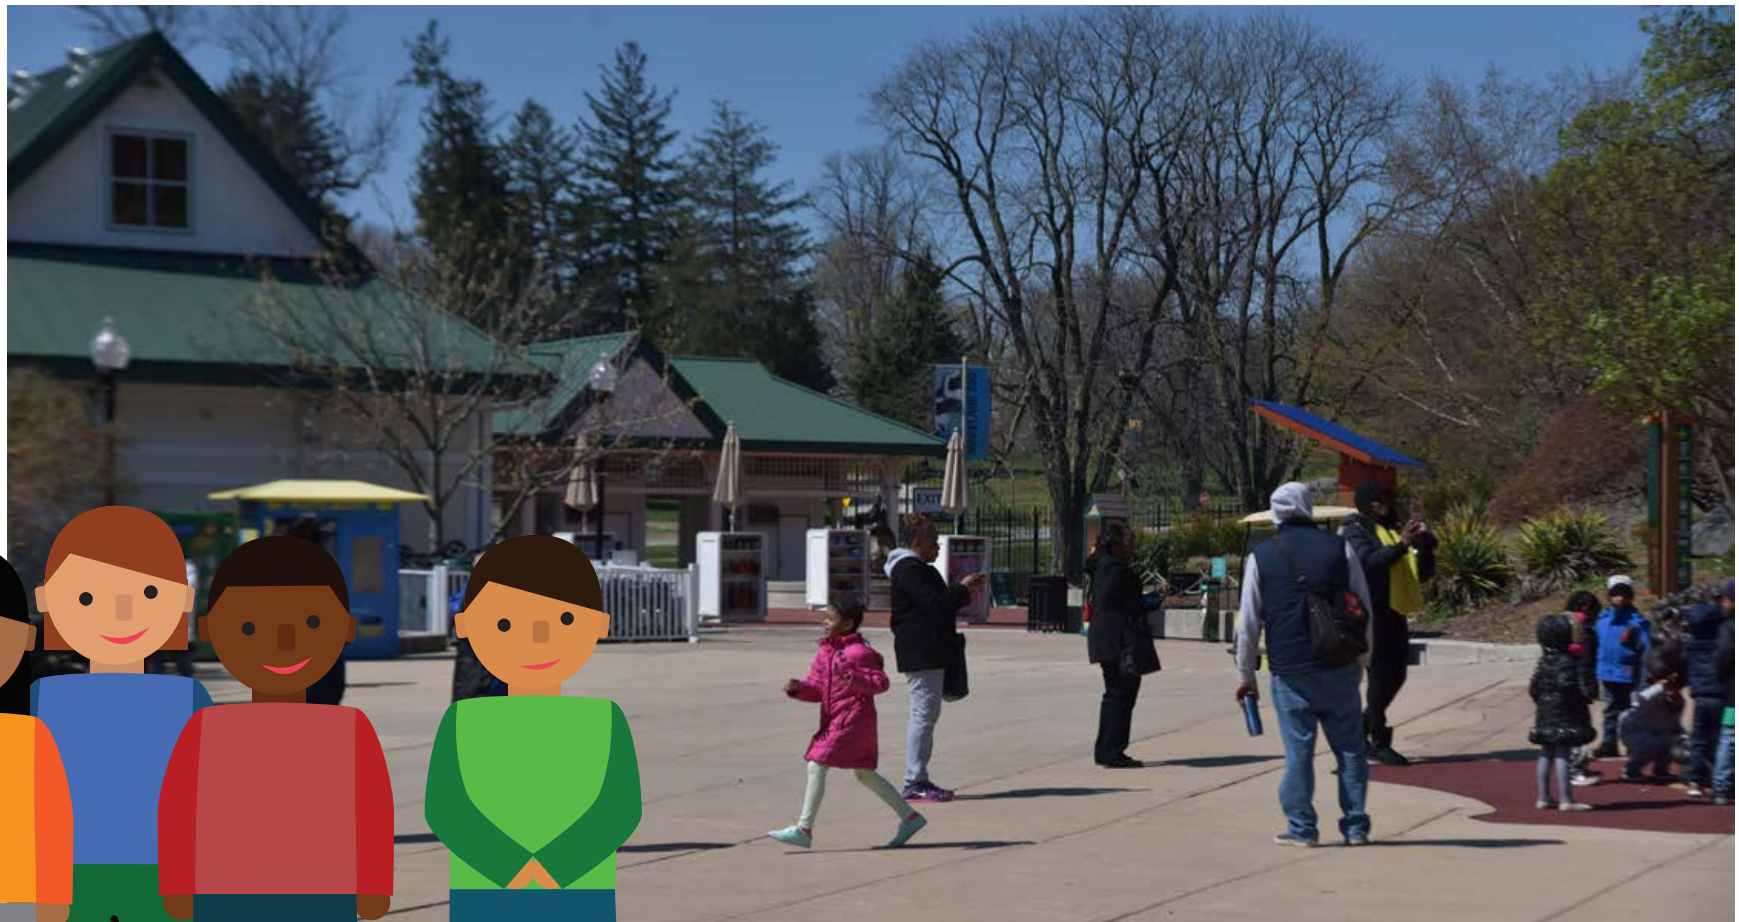

I might have to sit on the bus for a while or wait next to the bus until it is time for my friends and me to go into the Zoo.

If we wait outside the bus, I will stay out of the road to be safe. I will listen to my teachers for directions.

There will be people I don't know at the Zoo, too.
They might bump into me by accident. I will stay calm
and close to my group.

The Maryland Zoo has a lot of workers. They will help me if I need something.

I might ride a shuttle into the Zoo. I might walk into the Zoo.

The Zoo has a lot of restrooms! When I need to use the restroom, I can ask my adult to take me.

Even though I am not at school, I will still have lunch today. When it is time to eat, my friends and I will (circle one):

-Buy food at the zoo

-Eat the lunch I brought

-Go home to eat

-Return to school

After lunch, I will put my trash in the trash can.

At the Zoo I will follow the rules so that the animals and I can stay safe.

-Stay with my adult.

-Use a quiet voice around the animals.

-Walk on paths.

-Put trash in a trash can.

-Won't feed the animals.

-Have fun!
