

A RAINY DAY DOESN'T HAVE TO DAMPEN YOUR FIELD TRIP!

MAKE THE MOST OF INDOOR SPACES DURING INCLIMENT WEATHER

Indoor Animal Viewing

Waddle over to the **Penguin Education Center** and enjoy watching penguins swim underwater while you stay dry.

Get a broad view over the bear yards from inside the **Tundra Buggy**.

Get up close and personal with amphibians, snakes, and bats inside **The Cave** in the *Maryland Wilderness*.

Peek into nooks and crannies inside **The Tree** in the *Maryland Wilderness* to see native Maryland reptiles and amphibians.

Visit our owl barn and alpacas in the **Alpaca Barn**.

See a rhino roll in the mud from under the **African Watering Hole Pavilion**.

Experience just how tall giraffes are by visiting them and their close relatives, the okapis, inside the **Giraffe House**.

Stay dry while you visit chimps, lemurs, colobus monkeys, crocodiles, and Panamanian golden frogs in the **Chimp House**.

Other Dry Areas

Browse for a Zoo-envir at the **Wild Things Gift Shop**. Our animal-themed umbrellas can help you stay dry.

Refuel, recharge and stay dry under the **Coca-Cola Pavilion in Zoo Central**.

Learn about the interaction between zoos and conservation at **Creature Encounters**.
