**MARYLAND ZOO AND SERVICE PHOTO OFFER  
WILDLIFE PHOTOGRAPHY WORKSHOP**

**BALTIMORE, MD** – Join the photo experts from Service Photo and Nikon for two special workshops on wildlife photography! On June 4<sup>th</sup> and June 5<sup>th</sup> staff from Nikon and Service Photo will lead an indoor/outdoor program on wildlife photo proficiency which includes venturing around the Zoo to take photos at various exhibits. Participants will test their new skills using the latest in cameras, lenses, and photography accessories, all supplied by Nikon. Workshop leaders will be on hand at Zoo exhibits to lend advice and help you capture the perfect shot!

Interested adults can come to either the June 4<sup>th</sup> or June 5<sup>th</sup> workshop which run from 10:00 am until 2:00 pm in the Penguin Education Center at Penguin Coast. Members pay \$25 and non-members are \$35, which includes admission to the Zoo. All loaner equipment is free and the photos you take are yours to keep! Bring your own SD card to use in the cameras to store your files. Participants must be 18 years and older, advance registration is required. Some familiarity with photography is recommended.

For more information or to register, visit [www.marylandzoo.org](http://www.marylandzoo.org)

**About The Maryland Zoo in Baltimore**

Founded in 1876, The Maryland Zoo in Baltimore is the third oldest zoo in the United States and is internationally known for its contributions in conservation and research. More than 1,500 animals are represented in the Zoo's varied natural habitat exhibits in areas including Penguin Coast, Polar Bear Watch, the Maryland Wilderness, African Journey and the award-winning Children's Zoo. Situated in Druid Hill Park near downtown Baltimore, the Zoo is accredited by the Association of Zoos & Aquariums. For more information, visit [www.marylandzoo.org](http://www.marylandzoo.org).
