

FIELD TRIPS

Eligibility for Free Admission

The Free Field Trip Program at The Maryland Zoo in Baltimore is a grant-funded program for Maryland school groups, PreK4 through grade 12.

The Free Field Trip Program is in effect on regular school days during the school year.

To qualify for the free admission program and to ensure adequate time for processing, requests for field trips must be made at least two weeks in advance at marylandzoo.org/ReserveFieldTrip.

Please note that the following groups are NOT eligible for the grant-funded Free Field Trip Program:

- Camps
- Scout groups
- Family programs (e.g., Recreation and Parks programs, Infant and Toddler programs)
- School groups from outside Maryland
- College groups

ELIGIBLE GROUPS

The following Maryland groups are eligible to participate in the free field trip program:

- Public schools
- Private schools
- Head Start programs
- Homeschools

Home schools and licensed daycares *may* be asked to supply documentation that verifies their status (e.g., a letter from the local school system, an umbrella card, homeschool review, state license).
